Dear Simon,

**RE: Interactive System for Enabling TV Shopping**  
**Our Ref: HLM/CE/J00024475CA/NO/US/ZA**

You will recall that during your time with Nisaba we filed International Patent Application No. PCT/GB99/02665 with a claim to priority of originally filed British Patent Application No. 9817829.6. On behalf of Media Logic Systems Ltd., we have recently attended to the fragmentation of the International application into its national/regional phases and this raises a requirement for various documents to be signed by you since you are named as the inventor in the various applications.

We require your signature on assignment documents for Canada, Norway, South Africa and the USA and there is additionally a Declaration to be signed for the USA. The relevant documents are enclosed and all require just a simple signature where indicated. Copies of the documents are enclosed for your retention.

I would be grateful if you could return the signed documents to me as soon as is convenient.

With kind regards,

Yours sincerely,  
R.G.C. JENKINS & CO.
